Certification

Certain items of information included herewith were cited in the International Search Report in the related PCT application. A copy of the International Search Report is included for the Examiner's convenience. One item cited in the PCT application (U.S. Patent 5,717,191) was previously cited by Applicants in the present application and is, therefore, not included

In addition, some publications not listed in the PCT Search Report, which have become known to Applicants, are also listed herein.

Copies of the listed references are provided. No representation is made or intended that a prior art search has been made or that no better art than the listed is available. It is respectfully requested that the information be considered by the Examiner and made of record in the present application.

Applicants believe no fee is due as a result of this communication since this Information Disclosure Statement is being submitted before the first office action on the merits for this application is being mailed. If a fee is due as a result of this communication, the Assistant Commissioner for Patents is authorized to charge that fee, as well as to charge any deficiency or credit any overpayment, to Frost Brown Todd LLC Deposit Account No. 06-2226.

Respectfully submitted,
Adam G. Malofsky, et al.
